Additional Partnership Opportunities

Sponsor the Guest of Honor \$500

Our Guest of Honor for YaoiCon 2017 is Japanese mangaka SAKIRA. She specializes in bara type yaoi which involves handsome masculine men with lots of smut. SAKIRA first started publishing yaoi manga in 2009 with her hit "Wild Boyfriend," and now has a total of 4 manga translated into English. Sponsor SAKIRA and receive a specialty box set as well as reaping the benefits of VIP signing sessions.

Sponsor the Bishounen \$500

Bishounen – or “bishies” – are more than just your average con attendee, cosplayer, or volunteer. The gentlemen who are selected as bishies not only cosplay for the convention, but actually strip down to their underwear for it, often getting up close and personal with attendees. Help them help you have a great time at YaoiCon!
